

JAGUAR DRIVER'S CLUB OF AUSTRALIA

Club Magazine

The Australian Jaguar Driver magazine started in August 1965 and today is a classy, full colour publication produced monthly, packed with photographs, articles and information for the members. A "Cover of the Year" and "Writer of the Year" Award is presented each year at the Annual Presentation Night.

Our Committee

A dedicated group of people work together to promote the Club's activities and help members to get the best experience of belonging to the JDCA.

Background

The JDCA was formed on 19 February 1964 by an enthusiastic group as a branch of the Jaguar Drivers Club in England. Therefore, the president was Sir William Lyons.

Meetings were held initially at C V Murray's Jaguar Sales and Service Centre in Parramatta.

The first Sydney Concours d'Elegance was held at Vaucluse House in 1965. The JDCA separated from the JDC in England and the Register organisations started the XK group.

Today the JDCA is a vibrant Club with over 1000 members that strongly fosters associations with the other seven Australian Clubs under the auspices of the Australian Council of Jaguar Clubs. The JDCA strongly supports the annual National Rally held in the six Australian States.

Customers insuring one classic car (or bike) can add any other vehicle, including extra classic car, classic bike, PLUS modern car, modern bike, commercial vehicle, kit car and more. They can even add their partner's everyday cars and bikes too.
